## Financial Administrator

32-40 hours per week, location: Ridderkerk

### What are you going to do?

As a Financial Administrative Employee, you ensure that the financial administration of the ACH Group is always up to date and you are responsible for various financial tasks that contribute to the efficient operation of the department. You have a broad range of tasks and work closely with the financial team in which you report to the Financial Manager. Every day you process and check all financial transactions and manage the accounts payable and accounts receivable administration. You also ensure timely payment of invoices and collection of outstanding receivables. You identify bottlenecks or areas for improvement within the financial system administration process and contributes to further optimization. In this position you work with (SME) ERP systems and with common MS Office programs including Excel.

### What do we ask?

For this position we are looking for a driven Financial Administrative specialist with a passion for logistics in a dynamic environment. You are reliable and you work accurately and structured. You have a good eye for detail and you can work independently. With your knowledge you ensure that all administrative processes run smoothly. You communicate effectively, you have a proactive attitude and you are ready to support your colleagues where necessary. Specifically for this vacancy, we are looking for an experienced colleague with seniority who adds value to our processes and to the team. You have diplomas and certificates that are necessary for the practice of the profession and you master the Dutch and English language, spoken and written.

### What do we offer?

This is a varied position in a healthy family business with an informal working atmosphere. We offer you a working environment in a modern office building where trust and fun are important values. In addition to a good salary and secondary employment conditions, there are plenty of opportunities to develop professionally and personally.
