ACH GROUP

CONNECTING EXPERTISE

Allround Cargo Handling B.V. is the specialist when it comes to the storage and handling of nuts and dried fruits from a modern 25,000 m² warehouse located at the Dutch Fresh Port in Ridderkerk. With an enthusiastic team and almost 60 years of experience, we offer our customers specialized logistic solutions of very high quality. Innovation and an intensive, worldwide market approach form the basis of our growth and leading position in the market. Eighty percent of the growing turnover is realized with leading foreign customers. Allround Cargo Handling B.V. forms the ACH Group together with Vabix Shipping, - Documents Services and - Expeditie. Vabix specializes in the transport and storage of both dangerous and non-dangerous cargo. The ACH Group offers logistic services all over the world and has modern offices and warehouse facilities in Ridderkerk and along the A15 in the Rotterdam port area. In connection with the growth, we are looking for a skilled and enthusiastic.

Warehouse employee

40 hours per week, location Ridderkerk

What are you going to do?

As a Warehouse Employee, you are responsible for the efficient loading and unloading of goods in our warehouse. You have a wide range of tasks and work closely with the operational team in which you report to the Warehouse Supervisor. In order to realize a smooth processing of incoming and outgoing goods, you are the intermediary between various (operational) colleagues of the ACH Group. You are busy every day with order picking the right goods for the customers, placing the incoming goods in the right place in the racks and you process data correctly for the administration. In short, you ensure that the goods are received, stored and shipped in the right way. In our warehouse in Ridderkerk, the rules for food safety are observed at all times.

What do we ask?

For this position we are looking for a driven colleague with a passion for logistics. You feel comfortable in a dynamic environment that always strives for the best quality for our customers. You communicate effectively, you have a proactive attitude and you are solution-oriented. In addition, you are a team player and a high degree of independence is expected of you. You have relevant experience in a similar position and have a reach truck and/or a forklift certificate. You master the Dutch language in speech and writing.

What do we offer?

This is a varied function in a healthy family business with an informal working atmosphere. We offer you a working environment in a modern warehouse where trust and fun are important values. In addition to a good salary and secondary employment conditions, there are opportunities to develop your professional skills.
