## Junior Financial Administrative Employee

32-40 hours per week, location Ridderkerk

### What are you going to do?

Are you accurate, strong with numbers and looking for a flying start in financial administration? Then we are looking for you! To strengthen our team, we are looking for a Junior Financial Administrative Employee. You will end up in an enthusiastic and collegial team, in which you will be given the space to further develop yourself within the financial field. In this role, you are responsible for processing and checking financial data. You are involved in booking purchase and sales invoices, updating bank transactions, managing debtors and creditors. You are also responsible for correct archiving and documentation of financial documents. You work closely with your colleagues in the financial department and actively think about improving administrative processes. In this position, you work with (SME) ERP systems and with the common MS Office programs including Excel.

### What do we ask?

We are looking for someone with a completed MBO education in a financial direction, such as business administration

or financial employee. Some experience in a similar position is a bonus, but not a requirement. You have a good command of Microsoft Excel and you are proficient in Dutch and English, both spoken and written. You work accurately, are structured and are eager to learn. You are also proactive and feel comfortable in a team environment.

### What do we offer?

This is a varied position in a healthy family business with an informal working atmosphere. We offer you a working environment in a modern office building where trust and fun are important values. In addition to a good salary and secondary employment conditions, there are plenty of opportunities to develop yourself professionally and personally.

### Interested?

Is this the position you are looking for? Then we would like to get in touch with you! Send your CV with a brief explanation to [Louise.pols@achbv.nl](mailto:Louise.pols@achbv.nl) or contact us on telephone number 088-3388738. Acquisition is not appreciated.
